In re Application of :
Steele Jr. :
Application No. 10/035,586 : **DECISION GRANTING LETTER**
Filed: Dec. 28, 2001 :
Attorney Docket No. 06502.0373-00 :

This decision is in response to Applicant's 'NOTICE OF ERROR IN THE DETERMINATION OF PATENT TERM' filed on June 28, 2006 requesting that the USPTO review the PTA determination at the time of the mailing of the notice of allowance.

Applicant's letter concerning PTA is **GRANTED**. The Office will adjust the PTA calculation at the time of the mailing of the notice of allowance to reflect a determination of **568 days** of PTA. A copy of the adjusted PTA calculation is provided with this determination.

Applicant asserts that the USPTO may have granted too much PTA at the time of the notice of allowance. Applicant requests review of the PTA determination but did not provide any assert any specific reason for the discrepancy.

A review of the record reflects that applicant is correct. The Office failed to reduce the PTA for the submission of the NOTICE OF APPEAL on September 30, 2005 a thirty (30) day delay. The Office notes that the final rejection was mailed on May 31, 2005 and the notice of appeal was not submitted until September 30, 2006. In addition, the Office did reply to applicants' amendment after notice of appeal within four months. The Office notes that applicants submitted an amendment on March 21, 2006 that was responded to by the USPTO within four months on April 27, 2006. Accordingly, the 149 additional days of USPTO delay is inaccurate. Accordingly, at the time of the mailing of the notice of allowance, the USPTO delay is 565 days pursuant to 37 CFR 1.702(a)(1) and 41 days pursuant to 37 CFR 1.702(a)(2). Applicants delay is eight days pursuant to 37 CFR 1.704(c)(8) and 30 days pursuant to 37 CFR 1.704(b). Thus the proper amount of PTA at the time of the mailing of the notice of allowance is 568 (565+41-5-3-30=568) days.

The USPTO acknowledges that any delays pursuant to 37 CFR 1.702(a)(4) and 1.702(b) will be added at the time of the issuance of the patent and will be reflected in the PTA determination provided to applicant in the issue notification letter.

After the mailing of this decision, the Office will forward this application to the Office of Publications for a prompt issuance of the patent.

If applicant believes that the Office erred in calculating the PTA for reasons other than provided in this decision, applicant may provide further clarification as to the inaccuracy of such calculation.

Because applicants were providing good faith and candor notice as to the amount of PTA, no fee is being assessed.

Any questions concerning this decision should be directed to Kery Fries, Office of Patent Legal Administration, Office of Deputy Commissioner for Patent Examination Policy, at 571-272-7757.
